

October 2020

Current Library Hours and Services

Monday through Thursday: 10AM – 5PM

Starting in October - Sunday: 1PM – 5PM

At this time, we are not approved to let patrons into the main part of the library due to spacing concerns. Please know that we are planning and preparing for when we are allowed to change this and when that happens we will use every possible measure to announce it!

We continue to offer all digital services including...

- Libby for digital eBooks and eAudioBooks
- Artist Works for online art and music classes
- Pronunciator for online foreign language classes
- RB Digital for online magazines
- WV Info Depot - for online job hunt services
- Virtual Book Club Meetings for our original Book Club and Creepy Book Club.

We continue to add the following no contact services during our business hours,

- Pick up of requested books placed either through our online catalog or by calling/messaging us
- Copies via the copier in the foyer
- Faxes
- Notary
- Voter Registration help

-Password Free Wi-Fi from our outdoor benches and parking lot!

*At this time we are not charging fees for any of these services.

*For more information on these services see our website

www.sjjeffersonlibrary.com

Please keep in mind that all materials coming in and out of the library have to be placed in quarantine for 72 hours. This means that inter-library loans may take longer to get to you and that returned books may take longer to come off your account. Due to this we are not charging any type of fine. Emails that say otherwise are automated and not accurate (we are trying to find a way to stop those but no luck so far).

Thank you for your continued patience. We will keep our Facebook and Web pages updated of any changes!
